SUMMER BOREDOM

What to do

Hmm

What to do

No screens

No TV

Poor me

Summers here

Just thinking how great it could be

If I only had an idea

A bit of magic

An Inspiration

Something to see

I'm bored

I'm bored

There should be things to do

But I can't think of one

Stuck inside my house

And my little backyard isn't very fun

Called up a friend

Maybe they'll come over

Then what

Then what we will just be bored

Together.

MIKO: (*Sits on the bench, looking forlorn and sighing*)

KIP: (*enters, calling her before he appears*)

Miko... Are you out here?

MIKO: *(stands up from the bench and waves to him.)*

I am here Kip, over in the back yard.

KIP: *(waving back,)*

There you are, I was hoping I would find you, What 'cha doing?

MIKO: Wishing I had something to do.

Kip: *(Sits beside her, head in hand, they both scratch their heads at the same time, switch thinking positions, and sigh together.)*

MIKO: Ugh this is going to be a long summer

KIP: Maybe... but maybe not, we have this beautiful moon coming up. We can find some inspiration, somewhere... *(Pointing to the moon which is imaginary above the audience's heads.)* Let's ask the moon

Miko and Kip Sing

What to Do

[Intro]

KIP

**Sittin' on this porch, stars are shining bright,
We got the world outside, but we're lost in this night.**

[Verse 1: MIKO]

**Just look at us here, time driftin' away,
Ain't no plans in our hearts,
we're just lost in the sway.**

KIP & MIKO

**What's the next step, what's on our minds?
Let's spin a little dream, see what we find!**

[Chorus: KIP & MIKO]

**What to do, oh what to do,
We're just sittin' here, just me and you.
Maybe if we sit and let our thoughts flow,
We'll spark up some magic, let the ideas grow.**

**What to do, oh what to do,
Let's find the rhythm, see what's true!**

[Verse 2: MIKO]

**The fireflies are dancing, casting shadows
so tall,**

**KIP
Got banjo tunes hummin',
MIKO
no pressure at all.
KIP
Just breathe in the magic,**

**MIKO & KIP
let the moment be, In this quiet little space,
it's just you and me.**

[Chorus: KIP & MIKO]

**What to do, oh what to do,
We're just sittin' here, just me and
you.
Maybe if we sit and let our thoughts flow,
we'll spark up some magic, let the ideas
grow.**

**What to do, oh what to do,
Let's find the rhythm, see what's true! OOH**

**[Bridge: KIP]
I feel it in the air,**

[Bridge: MIKO]

The spark of a thought,

KIP

Just a flicker of a dream

MIKO
That we haven't caught.

KIP
We could write a song,

MIKO & KIP
or dance our cares away,

MIKO
Play a little tune at the end of the day.

[KIP]
Pull out your heartstrings, share your deepest
fears, Laughter's in the waiting, and joy's the
souvenir.

MIKO & KIP
With every little note, we'll paint the night
bright,
We'll find something special in this soft
moonlight.

[Chorus: MIKO & KIP]

What to do, oh what to do,
We're just sittin' here, just me and
you.
Together we can dream, together we can play,
So let's write our own story under stars astray.
What to do, oh what to do,
We're just sittin' here, just me and you.

[Outro: KIP & Female]
What to do, oh what to do,
With the world outside, the dreams come true.

MIKO

**Just sit snug in the night, let the magic
unfold, Just me and you here,**

MIKO & KIP

That's a story to be told. ooo

MIKO: So that's it? All we have to do is imagine and it will appear?

KIP: That's what I'm told, but it works best when two or more
imagine together.

MIKO: Hmm, Well I'll give it a try...

*(Kip and Miko both close their eyes, assume an upright position. Lights
fade then slowly comes up as Fairies dance in from the wings,
representing dream inspiration, they are playful and have funny bits they
do with each other. Rainbow Fairy waves a wand over Kip and Miko.)*

Whispers of Enchantment

*(Midway through the song, Miko and Kip open one eye and then two in
surprise. Sit motionless, a little afraid but intrigued.)*

MIKO: What is going on?...

KIP: Where did they come from?

MIKO: What is happening; something is really weird here..

KIP: Are we asleep, are we dreaming?

RAINBOW FAIRY: You aren't necessarily dreaming. Just
opening your eyes to possibilities. There's a place within us
where things begin. You say you're bored, well that's a start,
sometimes it's just the thing to create a spark, *(she hands her
wand to Miko)* Please hold my wand, move it around as you
wish.

Scene 2: Rainbow Fairy, Birdella, FAIRES SING on the chorus

Fairy tales untold, let the wonders be bold! Oooo

RAINBOW FAIRY

RAINBOW FAIRY: Let's get this magic started.

KIP: What, isn't this enough magic for one night?

RAINBOW FAIRY: You can never have enough magic; there is more to this story here somewhere. *(She taps Kip on the head)*

MIKO: *(leans over and looks in Kips ear.)* I'm not seeing much in there.

RAINBOW FAIRY: *(laughs)* Out here my dear. *(Waves the wand in the air and room then hands the wand to Miko.)*

(The Fairies stop and surround Miko and Kip when they hear Pirate Pete enters down through the center aisle of the audience singing. Birdella Fairy sings the female part. All fairies sing with Pete on the chorus.)

Scene 3

PIRATE PETE

TREASURE WITHIN

[Intro]

Raise the sails, raise the cheer, adventure's calling dear
With an accordion's lead, our shanty to share,

[Verse 1]

The treasure is within you, let's set our sails so true
Across the waves of make-believe, the vast and endless blue
A map is drawn right here, made of dreams we hold so dear
In the twilight of your mind, possibilities appear

[Chorus] ALL FAIRES

So come along and follow me, the winds of chance will blow,
A journey through the stars, we'll leave behind our woe.
Down the path of imagination, where all your dreams take
flight,
It's waiting in your heart, just step into the light!

[Verse 2] BIRDELLA

With pen and paper ready, in a world so wild and new, Grab
those crayons, color brave, let creativity kick through!
A sailor's story to unfold, a play that must be told, Characters
aplenty will guide you, watch your dreams take hold!

[Chorus] Pirate Pete, Birdella, All Faires

So come along and follow me, the winds of chance will blow,
A journey through the stars, we'll leave behind our woe.
Down the path of imagination, where all your dreams take
flight,
It's waiting in your heart, just step into the light!

[Bridge]

**Imagine, imagine, see the world unfold, it's
all within, let your story be told!
Just begin, with a flick of the wand,
Magic within you, adventures now spawned!**

[Chorus Repeat] ALL

**So come along and follow me, the winds of chance will blow,
A journey through the stars, we'll leave behind our woe.
Down the path of imagination, where all your dreams take
flight,
It's waiting in your heart, just step into the light!**

[Outro]

**Just begin, oh my dear friend, let the treasure lead the way,
In this magical sea of dreams, let's gather round and play!
With the treasure found within you, set your sails to roam,
Together we'll create a world that feels just like home HEY!**

PIRATE PETE: *(Unrolls the map, holds it up for Kip and Miko to see)*

Ahoy mateys and maidens. Belay that moment *(tips his hat to the fairies, who giggle and run off stage)*. I tend to have that effect on the elemental ladies. *(winks to the audience, clears his throat)* First on the Treasure map extraordinaire is... **BIRDELLA FAIRY:** *(squawks like a parrot)*

Show em the map, show em the map.

PIRATE PETE: *(Gives a side eye to Birdella)*

BIRDELLA FAIRY: You wished you had a REAL parrot; today I am the closest thing to it. *(flutters some feathers around)*

PIRATE PETE: Aye, *(clears his throat)* back to the treasure, *(ruffles the map and looks at it)* First stop on our way is. *(Quickly interrupted by Fashionista.)*

Scene 4

FASHIONISTA: *(steps forward carrying some shiny fabric)* Style. It begins with Costumes; the flair on stage, something fresh, dynamic, never seen before. Here is some fabric to coalesce the vapors with.

MIKO: The vapors?

FASHIONISTA: The vapors are the thoughts in the air that you gather and create with.

MIKO: Oh, like inspiration invitations

FASHIONISTA: Exactly... feel the fabric, how do you envision a design, what might it become?

KIP: *(takes it and puts it on his shoulders)* It could be a super hero cape,

MIKO: *(snatches it off his shoulders and wraps it around her like a dress,)* A party dress

KIP: hmmm *(takes it back and wraps it around his shoulders)*
A royal King parading in his court.

FASHIONISTA: It could be anything you imagine *(claps her hands)*

Music Begins

(Faires bring out different costumes to show them as they sing)

Fashionista, Miko and Kip Sing

A TALIORED MADE TALE

[Intro Fashionista]

Oh gather 'round, hear the tale of fabric flair,

[Kip]

With gems and gold braid, oh, what a glorious affair!

[Miko]

A superhero cloak, for saving damsels in distress,

[Kip or Miko]

But I'd rather sashay in my fabulous party dress!

[Verse 1 Fashionista]

**Bejeweled and sparkling diamonds all sublimely arranged,
Tailored-made to dazzle; fashion's never been so strange.**

MIKO

**Every stitch, a whisper, every thread, a little wink,
Into the world of glamour, let's step back and rethink!**

**[Chorus] Kip, Miko, Fashionista Ruch,
Ruch! An elegant gown,**

Fashionista

Fashion fresh and fierce, come strut through town!

Kip Miko Fashionista

**New York, Paris, the lights shining bright,
Haute couture dreams in shimmering night!**

[Verse 2] Miko

Walking on a red carpet, heads turn, oh to revere,

Kip

Let the jewels and the fabrics paint the atmosphere!

Fashionista

**More than just clothing, it's a spell that you cast,
Daring to be different, standing out from the past!**

[Bridge] Kip

But ahh, it's the tailors who truly steal the show,

[MIKO]

Design and fabrics talking, all beaded, lace aglow!

[Kip]

Elizabethan farthingales, [Female] Oh such grand styles!

Doublets embroidered,

[MIKO]

[Female] Oh, let's run those miles!

[Chorus Repeat]

**[Chorus] Kip, Miko, Fashionista Ruch,
Ruch! An elegant gown,**

Fashionista

Fashion fresh and fierce, come strut through town!

Kip Miko Fashionista

**New York, Paris, the lights shining bright,
Haute couture dreams in shimmering night!**

[Verse 3 Fashionista]

So, what's your plea, as the world is your stage?

[Female MIKO]

I want sparkles and sequins! I am feeling the rage!

[Male KIP]

A superhero attire?

[Female MIKO]

Not today, my dear,

[Male KIP]

Party dresses, darling!

[Female MIKO]

Ahh, that's my cheer!

[Chorus Final] KIP- FASHIONISTA-MIKO

**So Ruch, Ruch! An elegant gown,
Fashion fresh and fierce, we wear the crown!
In New York, Paris, London,**

KIP

We'll shine so bright,

KIP- FASHIONISTA-MIKO

**Tailor-made adventures, we'll dance through the night!
With pearls and ruffles, in all shades and light,
Costumes and laughter, it's our time tonight!**

KIP- FASHIONISTA-MIKO

[Outro]

So here's to the fabric of dreams and delight!

KIP

Oh, let's twirl 'round the cosmos,

KIP- FASHIONISTA-MIKO

Fashion's taking flight!

(Faires exit after each presentation of a costume and retrieve another until the song is finished.)

MIKO: All very fine and well but who will wear them?

FASHIONISTA: Could be ANY actor you imagine.

KIP: Characters... we need more characters

MIKO: Yeah, and what is the plot, should it be an adventure? A triumphant Sports story, fairytale or a Western?

COWBOY LUKE: *(Saunters in with a John Wayne swagger, then tips his hat to everyone with an extra tip to Fashionista who blushes, maybe has a fan she hides her face with and a curtsy.)*

Howdy Partners, I was riding the range when I heard down through the canyon there's a couple of hombres who are corralling for some characters? I've wrangled many a part throughout film and TV history; I would like to be in your show.

PIRATE PETE: *(Pirate puts his arm around Duke.)* You have here a Bonafide true blue character. A character of stage and screen and the saga of 60's western tv.

KIP: But can you rope, can you howl at coyotes and eat beans from a can, can you sing under the stars,?

COWBOY LUKE: (*Howls like a coyote*) Can I Sing!

KIP: Oh Boy here we go.

Scene 5

COWBOY LUKE

(Takes CENTER STAGE, moving around the stage acting out the song. Everyone steps back, all fairies have left except for BIRDELLA

BIRDELLA FAIRY: (*squawks and flaps wings in applause*)

Let the Cowboy sing!

COWBOY LUKE SINGS

COWBOY LIFE

[Intro]

**Well, I'm a cowboy wanderin' the wide open land, With
my boots and my hat, never quite got a plan.**

[Verse 1]

**I roam this earth, no girl by my side,
Just me, my trusty steed and the moon as my guide.
It's a lonely life, strummin' along,
Playin' my sad, lonesome harmonica tune till the dawn. [Pre-**

Chorus]

**Got my campfire cracklin', lightin' up the night,
Countin' the stars like they're jewels in my sight.
Yup, it's just me and the wild, I'm free and I'm wild,
Sippin' on hot beans, like a carefree child.**

[Chorus]

**But I can rope up a cow, faster than the wind,
Chase down a calf, boy, is that a win!
Spit in a tin, make that coyote howl,
A cowboy's life for me, yeah that's my style!**

[Verse 2]

**Some folks call me reckless, some say I'm tough,
But livin' this way? Oh baby, I can't get enough!
They say I'm brave, foolish, a little bit crazy, But
they don't know how great it can be, Livin' life
hazy!**

[Pre-Chorus Repeat]

**Got my campfire cracklin', lightin' up the night,
Countin' the stars like they're jewels in my sight.
Yup, it's just me and the wild, I'm free and I'm wild,
Sippin' on hot beans, like a carefree child.**

[Chorus Repeat]

**And I can rope up a cow, faster than the wind,
Chase down a calf, boy, is that a win!
Spit in a tin, make that coyote howl,
A cowboy's life for me, yeah that's my style!**

[Bridge]

**So I ride through the night, under the twinkling stars,
Coyote calls, and I hum along with Mars. I may
not have a lady, but I've got my dream, A
cowboy's heart, livin' wild and supreme!**

[Outro]

**So if you see me comin', with my trusty ol' hat,
Know I've got the harmonica, and my love for my cat! A cowboy
life is a lonesome breeze—
But I wouldn't change a thing, I'm just livin' with ease.
Yeah, a cowboy life for me, yeah! A cowboy life for me!
A cowboy life, just you wait and see!**

COWBOY LUKE: Did I pass the audition?

*(All nod their heads in unison up and down 3 times.) If you need me I'll
be out in the desert counting the stars; just howl like a coyote,
(Cowboy Luke howls like a coyote and exits. Kip, Miko and Birdella wave
goodbye to Luke as he exits galloping on a pretend horse)*

Scene 6

PIRATE PETE: Move along cowboy like the restless clouds above.
(Sung in the tune of the Cheyenne theme song} (Unfurls the map) Let's see who else is on the map?

KIP: *(looking at the map with Pirate Pete)* How about a play about playing sports, the challenge, the love of the game,?

MIKO: Yeah, that could be let's open the field

PIRATE PETE: Of dreams

(The Sports Guys enter from the Portal arch appear in a cloud of fog. Each player holding their sports ball or club; (Basketball Player) (Golfer), (Football or Soccer Player) (Baseball Player-female) Sports stars can be changed to each locale, state, or country)

GOLFER: *(pretends to putt)* Yes, there are all kinds of sports in plays, chili dip that in your mind.

FOOTBALL/SOCCER PLAYER: Fumblerooski!

BASKETBALL PLAYER: The Rise of Darius Acuff. *(pretends to shoot a basketball)*

FOOTBALL/SOCCER PLAYER: The Dominion of Darren McFadden
(Does a little sidestep dance as if dodging a player.)

KIP: Yeah, I can get into that. (*Pantomimes playing one of the sports,*)

MIKO: Good idea, but what else is on the map? I want to explore more of this Imagination thing.

PIRATE PETE: (*looking at the map,*)

Hmm ... the artists, actors, writers' dancers, and of course dreamers, that may be more appealing for you?

MIKO: That just might be what we are looking for.

Pete the Pirate: (*Motions off stage*) Ahoy there Artists from across the blue, you have brought some more treasures I see.

(*Artists ente, each carrying something. The **Artist** holds a paint brush, The **Writer** a pen preferably one with a long feather resembling a quill pen, The **Actor** holds a script. The **Dancer** dances in.*)

ARTIST: (*raises a paint brush.*) Red and yellow, pink and blue swirling together in colors, awesome sets for you.

DANCER: A twirl and a whirl, ballet, or modern too. *(She/He pirouettes and then breaks into a comedic dramatic modern dance pose.)*

WRITER: The pen is mightier than the sword. *(Raises the pen and writes in the air)*

ACTOR: To be or not to be, was there ever any question? For I was born to tread the boards and love the smell of grease paint and hear the roar of the crowd... Roar of the Crowd. *(Motions to the audience, as a fairy lifts an applause sign. The actor bows.)* Thank you, Thank You; I'll be here all week. Oh, see the fair silver Moon rising. She is calling us. *(Pointing to the sky just above the audience's heads, the lights soften into a spotlight on the four of them gazing at the sky.)*

ARTIST: It is a beautiful night; I can hear the songs of the dreamers gathered in the sky, singing to us ideas just to ... catch... in our hands.

ACTOR, DANCER, WRITER AND ARTIST SING

A WORLD OF WONDER

The stars are brighter tonight
The sylvan moon is closer than ever before, I can trace it
with my finger
See how I hold it in my hand
Wind from the north
Magic is coming
I can smell it in the air
Daffodils and tulips
Will be Blooming everywhere
Nature emerging from mountains to the sea
Beauty abounding
It's all for you and me

**I'm willing to wonder Can
you imagine with me?
A world of sharing and caring
Let's make and believe
In freedom In
love
In creativity**

MIKO: *(Miko stands reaching her hand out to the moon as if in a dream)*

Yes, she is, dreaming... with us.

COWBOY LUKE *(looking through his telescope)* Reckon the moon's mighty close tonight. I bet if I had a ladder, I could rope it.

PIRATE PETE: Aye *(looking through his telescope)* Ladder? Bah! Ye don't climb to the moon, Ye sail to it.

COWBOY LUKE: Sail? Last I checked there ain't no ocean up there.

PIRATE PETE: There be an ocean of stars, lad all ye need is a stout ship and a brave crew.

MIKO: You mean cast, a brave cast, we can bring the moon to us. With all our imaginations united.

KIP: That's us

MIKO: Yes it's all of us, putting our ideas together in one show. *(Points up to the sky and lowers her hand bringing the light over the audience in a soft light over their heads.)*

(Everyone in the cast enters the stage one by one as the moon lowers the light across the audience's heads. The cast gazes out into the light, smiling in awe.)

I know that you hear us ...What are you saying ... these gifts are within us; we are the play.

(Kip and Miko sing and all sing with the beginning strings on the chorus)

Setting: The moon glows softly over the garden. The pirate leans on a wooden crate as if it were the rail of a ship. The young woman and young man stand beside him. A gentle realization settles over them like stardust.

PIRATE PETE: Ye know... I've sailed seven seas and chased a hundred treasures... but I've never once stepped inside a story that was still being' written.

MIKO: Maybe that's because we're not just inside the story.

KIP: Maybe... we are the story.

PIRATE PETE: Arrr... a curious notion. Ye mean to say our days and adventures are like scenes upon a stage?

MIKO: Think about it. We have characters... strange happenings... even dramatic entrances.

KIP: And we definitely have the best costumes!

PIRATE PETE: *(grinning and waving his hat in the air with a flourish)*

Aye, the hat does most of the acting.

MIKO: What if we did something bold?

PIRATE PETE: Bold be my middle name, lass.

MIKO: What if we turned our adventure into a play?

KIP: A play... about the very story we're living.

WRITER: A play within the play... now that be a twist worthy of a clever playwright.

MIKO: People could watch it and remember something important.

KIP: That imagination isn't just for stories.

MIKO: It's for life.

PIRATE PETE: *(thoughtfully looking at the moon):* Aye... and every fine voyage deserves a telling.

KIP: So, we start tomorrow?

MIKO: No. Pirate *(smiling)* We already have. *(The pirate looks around at the moonlit garden, the flowers, the quiet magic of the moment.)*

PIRATE PETE: Well, I'll be...

KIP: What?

PIRATE PETE: Seems to me... the curtain's already up. *(They all look out toward the audience as if suddenly aware of them.)*

MIKO: Then we'd better make it a good story.

PIRATE PETE: Aye.

KIP: Ready?

PIRATE PETE: *(with a flourish of his hat):* Places, everyone.

MIKO:: After all, ... *(All Three Together):* The adventure CONTINUES!
